# THE PAST WITH FUTURE

*Our building The Valtimontalo has seen the past for the last 100 years.  
Before it the first Guest House of Porvoo was serving in the surroundings.  
Among its guests the national poet of Finland J.L. Runeberg. You can see  
the history of our nations poetry pictured also in our roof lanterns.*

*The designers of the building were chosen among local craftsmen, Oskari  
Holvikivi as the Master and Leuto Pajunen as the architectural drafts-  
man. The bonds between our building, the history of Porvoo and the  
Finnish way of live and travel has been our inspiration. We hope you too,  
as our guest, can feel the history and its tale here at RUNO Hotel Porvoo.*
