"In order not to become the tormented slave of time, get drunk, relentlessly get drunk with wine, poetry, virtue, you choose."

-Charles Baudelaire

RUNO CLOVER CLUB

Cloudy & Sour

Established favorite of the signature cocktails with **Raspberry, Gin, Vermouth, Lemon & Bubbly**. Even if you're not a fan of gin, you'll love this one.

LENNIKALLE - SAN

Spicy & Stimulating

Greetings from Japan! Raise a glass for your health and awaken your senses with this cocktail made of **Vodka, Sake, Lemon and Wasabi**. Warning: the first sip may have you holding back tears... of joy! Kanpai!

NORTHINI

Sweet & Rich

Does it remind you of a certain Christmas sweet or an ice cream? Nonetheless, this **Pear, Cognac, Pear Liqueur and Lemon** cocktail topped with **Pear and Vanilla Liqueurs** flavored **Soft Ice Cream** should satisfy that sweet tooth. It's a whole lot of pear but seriously, can there really be too much?

PLUM NOIR

Sour & Comforting

It's a Whiskey Sour with a brand-new twist – we added some **Plum** and **Rose Petal Water** into the well-known **Bourbon and Lemon** based classic to make it more fitting for the holiday season.

CLOUD COLADA

Light & Creamy

For dessert we highly recommend this creamy combination of **Vodka, Triple sec, Cloudberry and Oat Cream**. You really can't go wrong with these ingredients, it just simply works every time.

APPLE SPRITZ

Fresh & Bubbly

You feel like drinking a spritz but it doesn't feel right when summer is over? Not with this one – **House Cinnamon Apple Cordial**, spicy Finnish **Gin** and **Sparkling Wine** make for a cocktail fit for the final months of the year.

MEHUMAIJA

Hot & Juicy

It's designed as a medicine, but it won't hurt you even if you're healthy. Bring back the warmth to your joints and your mind with a hot cup of **Blackcurrant and Orange Cordial** mixed with **Rum and Honey**. **Guarana** in the mixture adds an invigorating caffeine kick..

Our cocktails are made with traditional and precise methods by hand and making them may or may not take a while. Thank you for your patience.

Our building The Valtimontalo has seen the past for the last 100 years. Before it the first Guest House of Porvoo was serving in the surroundings. Among its guests the national poet of Finland J.L. Runeberg. You can see the history of our nations poetry pictured also in our roof lanterns.

The designers of the building were chosen among local craftsmen, Oskari Holvikivi as the Master and Leuto Pajunen as the architectural draftsman. The bonds between our building, the history of Porvoo and the Finnish way of live and travel has been our inspiration. We hope you too, as our guest, can feel the history and its tale here at RUNO Hotel Porvoo.
